

Let's Talk About Tuition

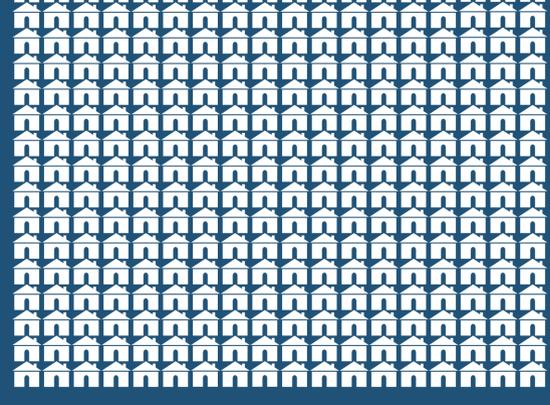

Ever wonder how Strathroy Community Christian School comes up with tuition? Ever wish that tuition would be lower?

We put together this infographic to illustrate where our money comes from, where it goes and how we together can bring in more of it to keep tuition down.

We have a growing number of families

We have many household that give \$\$\$, but this has plateaued...

...as students and staff numbers continue to grow

At the same time, we seek to keep tuition affordable

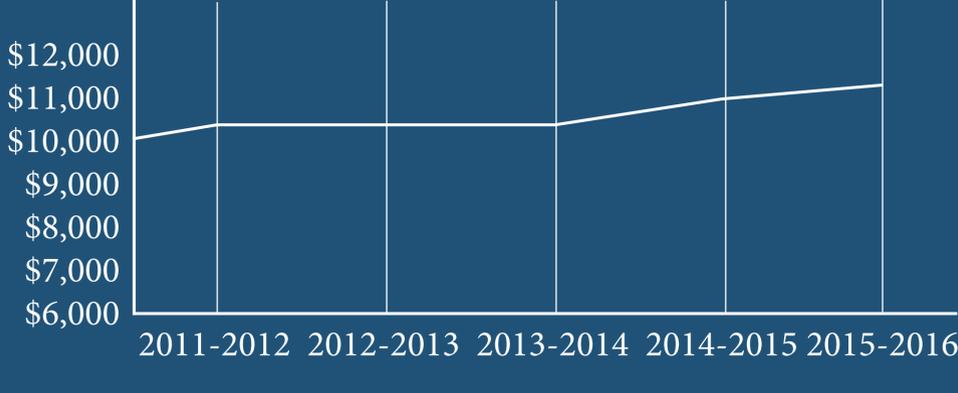

Tuition for the 2014-2015 school year is

\$10,975

Without these revenue streams, tuition would be

\$13,500+

Family Tuition Rate

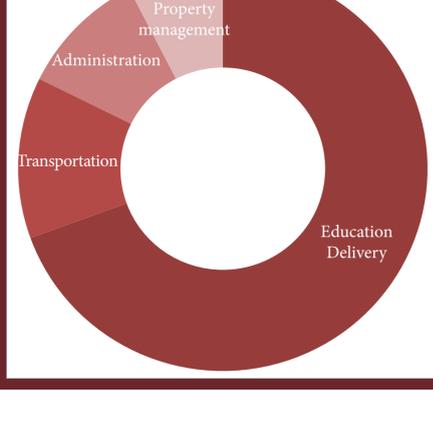

Where does all of the money go?

Tuition revenue

\$1,042,437

Total Expenses

\$1,357,362

How do we work together to keep tuition down?

There are HUNDREDS of ways, but here are three that cost you nothing extra and help families afford Christ-centred education.

1.

Get your church on board

If every church with an SCCS student contributed as little as \$1,000, SCCS would have \$30,000. Ask yours about giving, today!

Church representation at SCCS

Churches that financially contribute to SCCS

2.

Participate in the Voucher Incentive Program (VIP)

10% of families currently participate

5% of donors currently participate

When you buy gift cards at face value through our school instead of retail stores, parents and SCCS receive up to 15% of the card's value!

This adds up quickly! If every family bought even just their grocery and gas cards through the VIP, more than \$50,000 could be raised – what a huge opportunity!

3.

Help the Second Chance Community Store

Our store accepts gently used donations of household items, furniture, appliances and building material, reselling them and generating funds for the school. As you can imagine, the store relies heavily on volunteers to do pick ups, donation sorting, lifting, cash work and refurbishing.

Last year, approximately \$1,000 was raised for each family at SCCS. Reaching \$1,500 or even \$2,000 is possible in the near future with more contributions from volunteers, shoppers and donors.

So there you have it...

No one likes tuition, but there are many ways to lessen this burden.

When our school community works together, giving its time and resources, tuition is much more manageable, allowing more children to enjoy the difference of SCCS and the strong foundation that Christ-centred education provides.

Based on the Strathroy Community Christian School Society's Approved 2014-2015 budget, draft 2015-2016 budget, budgetary projections and donor giving statistics from 2014.
